

Gelee Media - Caramello

Caracole

A retro-modern vibe is present in this sleek, glossy, and streamlined console. This piece mixes patterns and textures for a distinctive, timeless effect. The center section showcases a high-gloss Caramello Gloss finish over hand-pieced Tupelo wood. The console's generously rounded edges and compound curves create a dramatic waterfall effect. The end sections are finished in shiny, rich Chocolate Truffle with Whisper of Gold splines. The console sits on a concave-sculpted three-part base that shimmers in Oracle leaf. This impressive two-toned piece has four drawers with hand-pulls on top and soft-close under-mount guides. The interior is painted to match.
