

MOE'S

Leo Sofa Light Brown

Striking from every angle, Leo reinvents the classic roll arm with a bold, modern edge—turning tradition inside out and creating the perfect place to kick back, relax, and hit ‘next episode’. Its squared side profile contrasts with inward-rolled arms and a sculptural curved back, creating a striking balance of form and function. With tonal contrast piping and fully upholstered legs, Leo blends sophistication with personality—proof design is all about the details.

- Curved Contours: Its squared side profile juxtaposes with inward-rolled arms and a gently curved back for an inviting silhouette.
- Tonal Contrast: Accented with tonal contrast piping and fully upholstered legs for a refined, thoughtful design.
