DEFINITIONS

MOUNTING SYSTEM: A MOUNTING SYSTEM is the primary Chief product to which an accessory and/or component is attached.

ACCESSORY: AN ACCESSORY is the secondary Chief product which is attached to a primary Chief product, and may have a component attached or setting on it.

COMPONENT: A COMPONENT is an audiovisual item designed to be attached or resting on an accessory or mounting system such as a video camera, CPU, screen, display, projector, etc.

 **WARNING:** A WARNING alerts you to the possibility of serious injury or death if you do not follow the instructions.

 **CAUTION:** A CAUTION alerts you to the possibility of damage or destruction of equipment if you do not follow the corresponding instructions.

IMPORTANT SAFETY INSTRUCTIONS

 **WARNING:** Failure to read, thoroughly understand, and follow all instructions can result in serious personal injury, damage to equipment, or voiding of factory warranty! It is the installer's responsibility to make sure all accessories are properly assembled and installed using the instructions provided.

 **WARNING:** Failure to provide adequate structural strength for this accessory can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the structure to which this accessory is attached can support five times the combined weight of all equipment. Reinforce the structure as required before installing the accessory.

 **WARNING:** Exceeding the weight capacity can result in serious personal injury or damage to equipment! It is the

installer's responsibility to make sure the combined weight of all components does not exceed 150 lbs (68.04 kg) or the maximum weight capacity of the mount to which this accessory is being installed. This product is NOT designed for use with articulating wall mounts.

 **WARNING:** Use this accessory only for its intended use as described in these instructions. Do not use attachments not recommended by the manufacturer.

 **WARNING:** Never operate this accessory if it is damaged. Return the accessory to a service center for examination and repair.

 **WARNING:** Do not use this accessory outdoors.

ASSEMBLY AND INSTALLATION

NOTE: Reference the Parts Drawing to confirm the correct hex head bolt is used with the appropriate clamp.

1. Place clamp(s) (A, D, or F) against truss or pole. (See Figure 1)
2. Using two (or four) 3/8-16 hex head bolts [(B) with clamp (A); (E) with clamp (D); (G) with clamp (F)] and 3/8" washers (C), secure clamp(s) to mounting system, following instructions included with the mounting system.
3. Repeat Steps 1-2 for the remaining clamp(s).
4. Complete installation following the installation instructions included with the mount.
