

Recenter, refresh and reconnect to your kitchen with the 36" KitchenAid® Downdraft Cooktop. Designed to reconnect you to what matters most, this cooktop features a flexible install designed to fit within your island counter without a bulky hood and make your cooktop the center of your kitchen with whisper-quiet ventilation and powerful extraction. Plus, enjoy the largest induction bridge available with the Bridge XL Even-Heat™ Zone, with plenty of room for cookware of various shapes and sizes.

- Top Features
- Powerful Extraction System
- Maximizes Space
- Quiet Ventilation Technology
