

## DEALER WARRANTY

Magnussen Home thanks you for purchasing our products that offer the latest in design, craftsmanship and materials. Care and attention has gone into each product to add beauty and durability to every piece. Our furniture has been inspected prior to leaving our factories and has been judged ready for lasting and pleasing performance.

We assure the quality of our products with this **LIMITED WARRANTY**.

Magnussen Home warrants our products for a period of twelve months from the date of shipment to the retailer. Our warranty covers defects against material and workmanship under normal use and service. Natural variations in colour, material characteristics, appearance, texture and other inherent features of the materials and manufacturing are not to be considered defects. Deluxing, defined as touch up of small chips or nicks in the finish, cleaning, waxing or buffing of surfaces to meet consumer expectations is the responsibility of the Dealer.

Subject to the above limitations, Magnussen Home's obligation is limited to the repair or, at our opinion, the replacement of the defective product once a company representative has inspected the reported defect(s).

This warranty applies only to the original purchaser and will not apply to any products which have been improperly installed, repaired, altered, neglected or subjected to consequential, incidental or other damages or costs.

Magnussen Home reserves the right to discontinue or change specifications, models and products.
