

SRS-XB01/R

XB01 Bluetooth Compact Portable Speaker

Play your music with a fun-sized speaker that fits in your hand.. The all-new super-compact XB01 Wireless Speaker stows easily for great EXTRA BASS™ sound on-the-go. A splash proof design keeps the music going for up to 6 hours on a single charge. <sup>1</sup> The handy matching strap makes it easy to stay on the move.

Features

Boost your party anthems with EXTRA BASS™

Enhance every beat and give your party that extra boost thanks to EXTRA BASS™ sound.

Compact design, big sound

The SRS-XB01 features a rounded design and passive radiator that give your tunes deep and punchy sound. Despite its compact size, this speaker delivers big sound that you can take with you

Splash proof design

Listen to your favorite music indoors or outdoors. The XB01 Wireless Speaker is splash proof, protecting it from sprays and spills so the party never stops.

Enjoy up to 6 hours of playback

With up to 6 hours of playback <sup>1</sup>, the built-in battery gives you interruption-free listening to your favorite albums and playlists.

A handy strap that matches

Thanks to the SRS-XB01’s handy strap, you’re never separated from your favorite tracks. It comes in a matching color and makes it easy to pick up, carry, and hang anywhere.

Built-in microphone for hands-free calling

Hands-free calling lets you switch quickly from tune to talking with friends. With the built-in microphone, taking calls from your smartphone via the speaker is easy.

Control your music with on-speaker buttons

Connect, play, or pump up the volume- use the on-speaker buttons to control your music with ease.

Connect and stream music easily with Bluetooth®

BLUETOOTH® streaming makes it simple to stream your party playlist.<sup>2</sup>

Playback through the audio input

No wireless connection? No problem. Plug your music player into the SRS-XB01’s audio input and enjoy your favorite playlists.
