Approx. Ship Weight: 175.0  
Made In America

*The Refectory Dining Table top measures 72" x 40" and expands to 102" long when its two 18' leaves are extended. When not in use the leaves nestle out of site under the table top. It is built by MacKenzie Dow, a division of Charleston Forge. Like all of our products, each exquisite piece of furniture is made to order, by hand, in the company's North Carolina facility.*
