Carlson Credenza

Description

The Carlson Credenza is a chic piece that seamlessly blends a classic design with a modern twist, the rich grain of the walnut veneer is mixed with sleek Champagne leg supports and hardware. The top in a polished Carrara marble stone is a beautiful light contrast to the rich Sheer Dove wood finish which showcases the dynamic wood grain movement which is perfectly matched on the outer drawer faces as well as the inner cabinet doors. The custom hardware on the drawers and doors is a simple raised rectangular pull that mimics the rectangle of the leg supports, The Carlson Credenza is also available in Smoked Stone and Polished Nickel metal finish.
