Kenzo Large Vase

1200-0868

In Stock

Overall: 17"h x 15"dia.

Finish: Off White / Black

Materials: Porcelain

Item Weight: 19 lbs.

The sketched pattern on the surface of the Kenzo Large Vase was inspired by the art of Imperial Japan, particularly the Enso, a prolific symbol in the Zen practice of painting. Made of porcelain, the black and off-white vessel is finished on the inside; and it is hand-thrown, hand-glazed, and hand-decorated so the patterns on each vase will vary slightly.
