PRODUCT DESCRIPTION

Get the best sleep of your life and rise to new heights with this queen pillow top innerspring mattress and adjustable power base. This set assembles quickly and is designed to deliver plush comfort and a restful sleep. The mattress has a dust mite and allergen barrier, which is also waterproof and goes the extra mile in keeping allergens at bay. Gel memory foam, along with the foam encased pocketed coil unit and firm support foam layers, work together to provide all the support you need, especially for your back. And the mattress is attractive, too. The stylish quilted pattern on the luxury nano stain-resistant stretch knit cover makes it the perfect choice. Set the mattress on the included adjustable base and with the touch of a button, you can position it to eliminate pressure points. Raise your legs to increase blood circulation and relieve pressure on your lower back. Raise your upper body so you can sit up in bed or sleep in a partially inclined position (helpful for people who snore or experience acid reflux). For added convenience, this base has two built-in USB ports for connecting electronics.

- Includes plush pillow top mattress and queen adjustable power base

- Luxury stain resistant stretch knit cover; zip-on cover keeps mattress free of pollen, dust, dust mites and moisture
- Multiple layers of mattress foam, including firm convoluted quilt foam, firm support foam and gel memory lumbar support foam
- Mattress with foam encased 638 15-gauge pocket coil unit
- Power base in foldable design with adjustable head and foot positioning, all steel low profile frame and adjustable legs
- Adjustable legs allow full height to zero clearance. Compatible with most bed frames; be sure to check your frame's dimensions and weight capacities
- Wireless backlight remote control and 2 USB power ports are included with base
- 10-year non-prorated mattress warranty; 3-year non-prorated power base warranty
- Mattress and power base ship separately in boxes
