

Make delicates a regular thing with this top load washer. The industry-first Removable Delicates Basket keeps delicates safe while regular, everyday loads wash around it. ActiveFall™ Wash cascades water down through the basket, helping detergent reach every item for an even clean. Fill up on detergent and skip refills with the Load & Go™ Bulk Dispenser for up to 20 loads**, and get a smarter clean tailored to your mixed loads with AI Wash.

*On select cycles
**Based on an 8-lb load with Delicates Basket option off
