## VIDA BAMBOO KING BED COMPLETE

**GRAND BAY** 

The Vida Bamboo bed is a beautiful bed that adds eclectic style in a seamless way. While some see this bed with its faux bamboo elements as a natural fit for casual-coastal environments, the sophisticated design is such that it transcends those limitations. In fact, we believe that it can serve well in both the more modern traditional spaces and casual lifestyle applications alike. The Vida bed is available in King, Queen, and California King sizes.
