UN55EH6070 55" Class (54.6" Diagonal) LED HDTV with 1080p Resolution

FEATURES

Full HD 3D: Enjoy stunning Full HD 1080p in 3D mode.

3D Converter

ConnectShare™ Movie: Have movies and pictures on a USB drive? Now easily view that content right on the TV. Just plug the drive into the USB port and you are ready for a big screen experience.

PICTURE QUALITY

Full HD 1080p: With twice the resolution of standard HD TVs, Samsung TVs deliver images that are guaranteed to amaze and bring pleasure to your home entertainment experience. The realistic texture of Full HD images invites you to enjoy a viewing experience that redefines reality.

Clear Motion Rate (CMR): A comprehensive measure of a TV's ability to display images in motion. The higher the CMR, the better. Samsung achieves high CMR numbers based on panel processing advancements. See the picture quality difference for yourself.

Wide Color Enhancer Plus: Allows you to see picture color the way the director originally intended, brought to life on your screen to bring you exceptionally vibrant, yet natural-looking images and depicts subtle details and tones.

AUDIO

10 watts x 2 audio power stereo broadcast reception: Supports multi-channel sound (MTS) and second audio program (SAP) with 181-channel capacity.

Dolby® Digital Plus/Dolby® Pulse: An advanced surround sound audio processing feature designed to optimize the TV's sound quality.

DTS™

SRS TheaterSound HD™: A high-definition audio experience that delivers surround sound multi-channel content, using built-in TV speakers to significantly enhance both the depth and dimension of audio right through the TV. Enjoy a simulated surround sound experience!

CONNECTIONS

HDMI®: 2

HDMI® (High-Definition Multimedia Interface) is a convenient, high-quality single cable digital audio/video interface for connecting the TV to a digital cable box, satellite box, DVD/Blu-ray Disc® Player, PC computers, PC portable devices, new generation tablets and devices featuring the HDMI® output.

USB: 1

Universal Serial Bus (USB) is an industry standard for connecting a variety of computer, audio and video devices to the TV. USB movie capability allows the streaming of video from storage devices, cameras, camcorders and USB drives.

Component in: 1

Shared composite in: 1 AV

Digital audio output: 1 optical.

ACCESSORIES INCLUDED

BD-E5900 Blu-ray Disc® Player

FEATURES

Smart Hub: Samsung Smart Hub has retooled its Smart Hub feature to further expand its access to a world of online entertainment. Search through apps and use the fully optimized Web Browser for a seamless user experience.

Full Web Browser: Easily stream your favorite movies and TV shows, download apps, shop online, browse the web, update your status on Facebook® and Twitter™ and enjoy all of the benefits of full web browsing right on the big screen.

AllShare™ Play: Enables your Blu-ray™ Player to access and stream content from any compatible device, like a PC, smartphone, tablet or camera. That means you can share movies, photos and music all through a single device – your Blu-ray™ Player. Now with the benefits of cloud technology, you can access and even share content when you're away from home.

3D Blu-ray™: Play 3D titles and intensify your viewing experience with the Samsung 3D Blu-ray™ Player.*

*Full 3D experience requires 3D-native content, 3D TV and 3D Active Glasses.

WiFi built-in: With a wireless LAN built in, it is easier than ever to access your apps and enjoy online content.

BD Wise™ Web: With the Samsung BD Wise™ Web feature, you can watch web-quality videos in high definition on your TV. It automatically optimizes Internet videos by boosting picture quality so that images are crisp and text is legible. BD Wise™ Web can even resize the video ratio so that the edges aren't cropped off.
