PRODUCT DESCRIPTION

Premium in every aspect, this oversized chair is crafted with elevated comfort in mind. Every detail, including the supple leather and faux leather upholstery, has been designed and refined to look and feel luxurious. Whether you use it as an inviting accent chair or pair it with the matching ottoman, it's sure to be a rich addition to your home.

- Corner-blocked frame
- Attached back and loose seat cushions
- High-resiliency foam cushions wrapped in poly fiber
- Genuine leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Top grain leather simulating a wax oil pullup with cracked effect
- Lightly buffed and embossed with clear, protective finish to prevent scratches

- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Exposed feet with faux wood finish
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
