Overall Mattress Height — 12.25"

Technology

- Premium ThermoBalance® cover combines cooling yarns with Tencel® for a cool to the touch sleep surface, improved moisture wicking and natural hygiene.
- A layer of premium foam engineered in the lumbar region to provide added support and comfort.
- The PowerEdge® wrapped coils provide the same reduced motion transfer as traditional wrapped coils, but are preloaded on the edge to provide enhanced edge support.
- Comfort and support foams are crushed to minimize the initial softening and lock in the comfort, to feel like new longer.
- Specifically designed to articulate on adjustable beds to customize your sleep experience.
