DA-E670 Audio Dock

FEATURES

Woven glass fiber speakers: The Samsung Premium Speaker is the perfect complement to your high-end viewing experience with its unparalleled sound clarity. This sound system produces hi-fi sound quality thanks to its phase plug-design which is able to help improve depth and clarity. While the premium glass fiber material helps to enhance sound clarity through heat resistance and anti-vibration capabilities.

Bluetooth®: Connect to other bluetooth devices.

AirPlay and AllShare: Now you can enjoy the freedom of enhanced connectivity with Airplay and Allshare on your audio dock. For the first time, the Samsung Audio dock allows you to wirelessly stream music from both Apple and Samsung mobile devices. That means you can enjoy the freedom listening to your favorite music in high definition while moving around in your home.

USB Direct Play: Connect other devices with USB.
