

THEVA N°1

Product sheet

MADE IN
FRANCE

Theva N°1 is the bookshelf loudspeaker from the Theva line. Boasting an Aluminium/Magnesium TNF tweeter and a Slatefiber Bass/Midrange speaker driver, it delivers a clear treble and midrange, with balanced and precise bass, promising long hours of listening pleasure. The positioning of the vent at the rear of the loudspeaker makes the loudspeaker even more compact. It fits perfectly into small settings and enhances listening experiences with its delicate design.

Key points

- Exclusive Slatefiber technology: dynamic listening and consistency across the Theva range
- Compact, sleek and harmonious design to suit any room
- Optional stand available, tilted for Time Alignment
