MOE'S

Beth Coffee Table

Your living room's calm center point. Beth stretches into a clean rectangle, pairing a sungkai wood frame with a water hyacinth base you can actually see through the tempered-glass top. It's durable for everyday feet-up moments and easy to wipe down after snacks. A woven hyacinth shelf underneath adds warm texture and a practical landing zone for remotes and reads. In rich brown, it brings nature indoors, neatly so the space feels lighter, not bare.

- Clean Rectangle Form: A streamlined rectangular shape anchors seating arrangements, letting the woven base add warmth while keeping the look open and light at the center.
- Glass-Top Clarity: Clear tempered glass showcases the water hyacinth detailing beneath, paired with sungkai wood for a balanced, nature-forward mix that works with many styles.
- Sturdy Wood Frame: The sungkai wood structure provides steady support and a warm tone, giving the table a confident, well-finished presence day after day.
- Shelf For Living: The woven lower shelf keeps remotes, books, and trays within reach, so the glass top stays ready for use during busy weeks.
