VALENTINA BED BENCH

c113-422-081

COLLECTION: VALENTINA

DIMENSIONS: 60W x 21D x 22H

An elegant end-of-bed addition, the Valentina bench is defined by softly arching exposed wood end panels, finished in Matte Pearl and trimmed in a Golden Shimmer-painted molding. Its oval seat beckons in a shattered ice cream and gold satin fabric that adds a subtle layer of texture. Fluid in form and function, it makes a luxurious accent in hallway nooks and dressing areas.
