Number of Lights: 6

Suggested Bulb: B Torpedo Tip

Socket Type: E12

60/360

Cord: 1' Silver

The big, beautiful blossoms of the Snowflower Semi-Flush Mount and the frame they flow from are made of wrought iron in a gesso white finish. Nodding toward the ceiling, the slightly folding petals direct the light upward. The crisp color of the finish will enhance the coolness of the illumination to create more brightness. The white semi-flush with its wild botanical personality will reflect any number of design styles with grace.
