SKU: Harlington Bedroom

Type: Bedroom Sets

Category: Bedroom

Country of Origin: Malaysia

Brand:

Elements International

Product Description: Dressed in a contrasting two toned finish, the handsome Harlington bedroom collection adds warmth and style to any room. Featuring clean lines and modern black finished hardware, this transitional set is sure to please. The bed is simplistically handsome with a distressed wood panel headboard and black trim. Matching casepieces featuring spacious storage drawers complete the look of this modern farmhouse infused collection.
