The Gladiator® Flex Cabinet System IV is your all-in-one, versatile storage solution. These garage storage cabinets include one 30" tall cabinet, two 24" wall cabinets and two 24" 2-door base cabinets. Tough features like welded steel construction and fully-adjustable shelves meet modern design with recessed handles and soft-close doors to create a complete garage storage system.

The entire Flex Cabinet System IV can hold up to 2350 lbs of evenly distributed weight. Keep items safe with a 2-point locking mechanism on Wall and Base cabinets and a 3-point locking mechanism on all Tall cabinets. Keep your workstation neat using the integrated cable management holes with a protective grommet that prevents wires from getting scratched or damaged.
