

T04B • Kern Bar Height Table

Dimensions: Dia 32½ x 39 (base for a 36" top)

Top Materials: Glass ¾", Maple 1¼"

Made in America

Spreading out from the center, the tripod legs of our fashion-forward Kern Bar Height Table supports the sleek top and looks great in heavy, ¾" thick Glass but also available in Maple. Its modern simplicity will be a focal point in any dining area. Part of our Casual Dining Program, this table is available in dining, counter, and bar heights. The dining table is available with tops ranging in diameter from 36" to 60" in 6" increments. The counter and bar height tables are available with 36", 42", and 48" tops.
