The Maytag® Pet Pro dryer traps and removes loads of pet hair from clothes. The Pet Pro option lifts and captures pet hair from clothes and traps it in the lint trap. Extra Power boosts drying power to get thick fabrics drier the first time*, while Advanced Moisture Sensing helps evenly dry loads. Harness the power of steam to help prevent wrinkles and refresh clothes with a steam-enhanced dryer. In the never-ending fight against pet hair, Maytag is ready to conquer pet hair like a pro.
