NOTES

- Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Power control independently adjusts the headrest, lumbar support, and recline for a personalized sit
- Heavy-duty lay-flat mechanism will accommodate occupants weighing up to 350 pounds.
- Attached seat and back cushions offer superior durability
- Durable, 100-percent polyester fabric will withstand everyday use by an active family
- Extended footrest improves comfort and circulation
- Storage pocket allows you to tuck away the hand control and other belongings
- Removable back allows for easy lifting and maneuvering through doorways.
- Power mechanisms allow you to smoothly recline to any position, adjust the headrest, and adjust the lumbar support.
- Ten-button wired hand control on the right-hand side of the recliner allows you to control the reclining, headrest, footrest, and lumbar mechanisms independently. A single USB port is included on the top of the hand control.
- A home feature returns the recliner, headrest, backrest, footrest, and lumbar support to their original positions.
