High Performance fabrics are perfect to extend the life of your chairs, stools and benches. A performance finish is applied to the woven fabrics to ensures protection from liquids, which is not limited to water, coffee, soda, wine, and salad dressing. It is perfect for protecting your furniture in your home. With **liquid repellency** and an **easy to clean finish**, our High Performance fabrics are designed for everyday life. This finish maintains the fabric's **breathability, soft feel** and inherent **Fire Retardancy** characteristics.
