NOTES

Available in more than 250 fabric options  
 Also available in Performance fabrics - Revolution and LiveSmart  
 Safety locks prevent the furniture from rocking while reclining.  
 Swivels a full 360 degrees.  
 Glides or reclines from any swivel position.  
 Swivels in all directions while reclined.  
 Safety locks prevent the furniture from gliding while reclining.  
 Removable backs allow for easy lifting and maneuvering through doorways.  
 Safety locks prevent furniture from rocking while reclining.  
 Lower the footrest by applying pressure to it in a downward motion. Lowering the footrest with the handle can damage the recliner.  
 Power allows you to smoothly recline to any position.  
 A single USB port is included on each power button control on styles with arms.  
 The power control allows you to independently adjust the recline and headrest.  
 A separate home button returns the headrest and footrest to their original positions with one touch.  
 A USB port is included on the power control for powering electronics.  
 Zero draw technology only uses power when the USB port is in use.

Power Recline & Headrest
