

PANEL-READY 24" BUILT-IN UNDERCOUNTER BEVERAGE CENTER, LEFT SWING

Signature Features

DARING OBSIDIAN INTERIOR

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let the object of your desire emerge like vibrant art, begging to be consumed.

UV-RESISTANT THERMAL GLASS

Sustain what satiates. Double-paned glass filters out ultraviolet light and rejects temperature swings to reserve the finest tastes for your discerning palate.

SMOOTH CLOSE DOOR

Quiet, soft, secure. An articulating hinge discreetly ushers the door open and gently pulls it closed.

EMOTIVE CONTROLS

Hold sway over every zone. Let your light-guided touch coax out the flavors of beverages, spirits and beyond.

LED LIGHTING

LED lights instinctively come alive, chasing away shadows to reveal vivid details.

INDEPENDENT TEMPERATURE ZONES

Compose ideal climates for choice beverages and tempting bites. Two temperature zones and six curated presets await your command.

GLASS SHELVES

Gaze through platforms of glass wrapped in unyielding shelf frames.

SMOOTH CLOSE RACKS

Smooth moves. Each beechwood rack opens and closes fluidly and quietly, even when fully loaded.

13 BOTTLE CAPACITY

Take your fill. Relish the spine-tingling flavors of imbibements at your leisure.
