## Callie Sofa 68 In Slate Blue

A high back made for even higher standards. Callie brings structure and softness in equal measure. With its supportive high back, angled arms, and gently textured fabric, it hits that just-right balance between polished and plush. Designed for those who like their comfort with a little posture, and their design with a little poise.

- Supportive High Back: A higher back that provides exceptional support and comfort, making it perfect for relaxing or entertaining guests.
- Textured with a Transitional Style: Soft, textured fabric over foam and fiber fill, along with angled arm details, offers comfort and complements a wide range of decor.
