Explore new recipes with built-in tips on this KitchenAid smart wall oven, featuring our Most Precise Even-Heat™ True Convection and Assisted Cooking Modes. LED Touchscreen display and backlit knobs allow for tactile display navigation. The backlit knobs also provide a visual cue throughout the cooking process, illuminating when the oven is preheating and pulsing when cooking is finished. Designed to be personalized, these wall ovens are available in a curated palette of exterior finishes and can be customized with mixed metal hardware.
