

# Dresser

Caracole

A modern interpretation on refined neoclassic design, this dresser is generously sized with twelve, self-closing drawers. It maintains its gracefulness with dramatically curving lines on the front and sides, as well as beautifully carved trapezoid feet. The Washed Alabaster maple case is offset by three inset handles in the center drawers that are carved in the shape of elongated astroids. The base of the piece is trimmed with the collection's carved ribbon motif in shimmering Blush Taupe. Inside each of the top drawers is a delicate stencil print that adds to its charm. The Adela Dresser is perfect for a refined bedroom.
