Anisa Sea Sand Etagera

3000-0234

Overall: 76"h x 31"w x 16.25"d

Finish: Natural

Materials: Oak/Rattan Cane

Item Weight: 84 lb

The Anisa Sea Sand Etagera has a trick up its sleeve: because the frame that is covered in oak veneer is fitted with rattan cane panels, it is artfully attractive from all sides. The larger rattan sections are in a radio weave and the smaller ones in an open weave to mix it up and bring the tan etagera a dynamic textural quality. The cohesiveness of the straw-colored materials sets this tan etagera in a natural style story.
