

# A Com-Pleat Turn Around

Caracole

Don't be surprised when this chair turns out to be everyone's favorite. Its stunning contemporary design is matched with a fun and functional swivel base wearing a Soft Silver Paint finish. Ultimately neutral, its seat and top rail are covered in a soft buff velvet, while its inside arm and inside back are highlighted by a distinctive tight pleating effect in an elegant satin fabric with subtle touches of Robin's egg blue that adds even more glamour.
