Shade: Off-White Linen

Shade Dimensions: 11" x 12"h

The Craquelle Table Lamp has a thin stem extending from a clear crackled glass ball that serves as its base. By finishing the metal in a polished nickel finish, the designer of the airy creation made its profile even lighter. This statuesque clear lamp with its tall, slim shade puts it squarely in the buffet lamp or console lamp category, as it cuts a slender profile and is lofty enough to bathe a wide swath of a surface with light.
