MOE'S

Amai Clay Pot

A clay pot with an unearthed kind of confidence. The Amai vessel has a grounded, generous form with a heavily textured, pitted surface that feels ancient and hand-worked. A rope-twist detail at the shoulder adds a crafted break in the texture, while the warm off-white multi-tone finish brings depth. Style it solo, with dried florals, or as a planter. History, minus the museum rope, plus everyday styling range.

- Ancient Energy: A wide, grounded vessel shape and pitted surface give the Amai clay pot a collected, archaeological presence, letting the material carry the visual story.
- Rope-Twist Detail: A rope-twist shoulder detail breaks up the textured body, adding a handcrafted note to the generous clay form, letting the material carry the visual story.
- Style It Three Ways: The vessel works as a standalone object, with dried florals, or as a planter for a layered surface, giving the piece a clearer visual story.

Item Code	PZ-1037-05
Swatch Code	
Country Of Origin	INDIA
Product Materials	Clay
General Dimensions	12.0" W X 12.0" D X 12.0" H
