## AXIS SERIES

Leon's premium Axis AxV80-BC in-ceiling speakers offer a perfect mix of design and performance. To accommodate a wide variety of aesthetics, each speaker comes with a round or square grill which can be custom painted to match any wall color. Featuring 8" drivers and 1" silk-dome tweeters in a fully sealed and tuned enclosure, Leon's Axis AxV80-BC is the perfect complement to our Horizon or Profile Series speakers to round out a 5- or 7-channel surround sound system.

- Features 8" drivers and 1" silk-dome tweeters
- Sealed and tuned enclosure prevents sound from traveling into other rooms
- Available with either a square or circle magnetic grill (ships standard with circle grill)
- Grills can be custom painted to an exact color code or paint sample
- Easily accessible EQ switch to tailor the sound to the room
- Available with new construction brackets
