

AEG

OVENS

MCS30

30" Built-In Speed Oven

GENERAL PROPERTIES

Installation Type	Built-in
Color/Finish	Stainless Steel / Black Glass
Cavity Capacity	1.6 cu. ft. / 45 L
Microwave Power	950W
Top Heater Element	1700W
Lower Heater Element	600W
Convection Element	1700W
Circuit Breaker	20 A
Volts	120 VAC
Frequency	60 Hz
Touch Control	Yes, LCD Screen
Child Safety Lock	Yes
Control Lock	Yes
Power Level	10
Timer/Clock	Yes
Start/Add-A-Minute	Yes-add 30 seconds
Cooking Modes	Soften/Melt, Defrost, Air Fry, Sensor Cook, Sensor Reheat, Popcorn, Beverage, Pizza, Broil and Convection Mode

FEATURES & BENEFITS

Air Fry

Cook healthier, crispier versions of your favorite foods like wings, fries and more in less time while saving counter space. High temperature and the convection fan work together to deliver the flavour and crunch you crave with little to no oil.

Sensor Cook

When using Sensor Cook, it detects the steam released and automatically sets the ideal time for precise and delicious results. Takes the guesswork out of cooking to precisely cook or reheat with ease.

Soften/Melt Cycle

Soften/Melt function is designed to gently melt chocolate, butter, cheese, and other delicate foods. With precise temperature control, the Soften/Melt cycle ensures even heating while minimizing the risk of overcooking or scorching.

Convection Heating

The powerful convection fan circulates warm air throughout the oven for fast, even baking. Achieve crisp, golden brown results in this microwave oven with a third heating element and fan, which allows air to circulate around foods for even heat distribution.

LCD Screen

Enjoy an easy-to-use clear LCD display and timer that provides maximum convenience with operation tips design.

DIMENSIONS & WEIGHT

Product Dimensions (In / mm) (W / H / D)	29 ^{13/16"} / 18 ^{5/8"} / 21 ^{1/4"} (757mm / 489mm / 540mm)
Cut-Out Dimensions (In / mm) (W / H / D)	30" / 18 ^{3/8"} / 24" (762mm / 476mm / 610mm)
Net Weight	97 lbs / 44 kg

ACCESSORIES

Accessories	Included Reversible Rack, Turntable, Ceramic Plate
