

The Solar Mirror

Caracole

Artist and designer José Leite de Castro adds asymmetrical interest to the classic round mirror with this exceptional design. The versatile 20-inch in diameter mirror artfully layers solid brass circles with White Lacquer in an asymmetrical pattern. For an added level of luxury and visual appeal, the designer chose gold mirror to complete the look.

SKU: SIG-418-046

Dimensions in Inches: 20.0W × 20.0D × 1.0H

Dimensions in CM: 50.8W × 50.8D × 2.54H
