

Unity Dark Dining Table

Caracole

Form and function in perfect harmony: the Unity dark dining table makes a dramatic statement in a unique mix of materials. Architectural lines are punctuated by a tactile top in Burnished Adobe, balanced atop a pillar-style base crafted in travertine stone, Cinder-finished oak and Lucent Bronze Metallic metal. Style as a small pedestal for an intimate dining experience, or expand with two leaves for a larger gathering of guests. Table seats 10 when fully extended.
