Sunseeker Outdoor Slipper Brown Stripe

Chase the sun without rearranging your whole day. Sunseeker's slipper chair is made to move—lightweight, lounge-ready, and easy to pair with the rest of the collection as your backyard plans shift. The tufted seat and tailored piping keep the look crisp in a brown stripe, while an aluminum frame and quick-dry foam are built for open-air living. When it's time to clear the deck, it fits together to stack and store neatly.

- Low Lounge Profile: A relaxed, slipper-style sit with tufting and piping creates a clean look that reads intentional poolside, patio-side, or porch-side.
- Outdoor-Ready Fabric: 100% acrylic upholstery in brown stripe pairs with quick-dry foam, so splashes and surprise drizzles don't derail the plan.
- Light Aluminum Frame: An aluminum frame keeps the piece easy to lift and position, while maintaining the steady support you want for long lounging sessions.
- Stacks And Stores: Designed to fit with coordinating pieces for stacking and storage, so you can reconfigure fast and pack it away without stress.
