

PANEL-READY 24" BUILT-IN UNDERCOUNTER WINE CELLAR, RIGHT SWING

Signature Features

DARING OBSIDIAN INTERIOR

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let the object of your desire emerge like vibrant art, begging to be consumed.

UV-RESISTANT THERMAL GLASS

Let your tongue meet tannins. Double-paned glass helps filter out ultraviolet light and helps reject temperature swings to sustain the body and finish you covet.

SMOOTH CLOSE RACKS

Smooth moves. Each beechwood rack opens and closes fluidly and quietly, even when fully loaded.

45 BOTTLE CAPACITY

Drench your desires. Chilled from neck to end, every bottle of cool, liquid temptation is cradled in one of two precision temperature zones.

MARQUEE LIGHTING

Light up the night. Strips of LED lighting run vertically on either side of the cellar, illuminating each label so you can select a perfect pairing.

SMOOTH CLOSE DOOR

Quiet, soft, secure. An articulating hinge discreetly ushers the door open and gently pulls it closed.

INDEPENDENT TEMPERATURE ZONES

Compose ideal climates for choice wines. Two temperature zones and eight curated presets await your command.

STEALTH FLUSH DESIGN

Create an unbroken silhouette. Discreet 1/8" reveals envelop every side, without exposed hinges or trim pieces.

PRECISE TEMPERATURES & HUMIDITY

Unwavering conviction. Two temperature sensors in two zones keep the climate firmly within your control, while a single humidity sensor monitors quietly in the background for long term wine storage.
