

MARILLA

BED | FOA7256WH

DETAILS:

With this stylish and functional bed, your child gets everything they need in their bedroom. The young bookworm will enjoy the headboard with built-in bookcase, while the action-figure fanatic will have plenty of open shelves to display their toys! Optionally, space under the bed could be devoted to additional sleeping or storage space with the matching trundle or drawers. Matching case goods feature spacious drawers that are reinforced with a sturdy dovetail construction, making sure they meet your child's needs growing up.
