Category: Bedroom

Collection: Quincy

Number of Shelves: 3

Number of Drawers: 5

Style: Transitional

Finish: Blacks

Brand: PFC

Product Description: Embrace the essence of mid-century modern charm with our Quincy 5-Drawer Door Chest. Inspired by casual, transitional aesthetics, this dresser features clean lines, tapered legs, and minimalist hardware for a classic yet contemporary look. Five drawers and a cabinet with shelves offer plenty of storage space to keep your clothing, accessories, and personal items organized and easily accessible. The dark Molasses finish enhances visual appeal, while sturdy construction ensures durability and reliability for years to come.

Collection Features: Quincy is a smaller-scale, casual, transitional collection with linear, classic silhouettes. Crafted with quartered ash veneers in a molasses finish, the minimalist design is accentuated by a heavy bevel on the pilasters and custom bar pull hardware in a soft bronze finish. Hints of Mid-century modern styling includes architectural elements and beveled case designs.

Status: Active

Finish: The dark tone of the Molasses finish is versatile and pairs well with various bedroom décor styles

Features: Sleek, streamlined silhouettes combined with mid-century modern, transitional design elements create a sense of simplicity and elegance

Boasts clean lines and a small-scale profile, making it practical for casual living

Five spacious drawers and shelving behind a door allow for efficient organization of clothing items and bedroom essentials

Custom bar pulls in a soft bronze finish contribute to a sense of luxury, elevating the overall design

Material: Ash Wood Veneers

Drawer Construction: English Dovetail Drawer Construction

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board,

made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
