

OZARK

DINING

RUSTIC TRANSITIONAL

Inspired by the sturdy furnishings of the great American lodges, the Ozark dining collection takes on a fresh look in mango solids. Key elements are blocked and planked tops, as well as a chamfered solid wood structure typical of the Arts and Crafts era. The unique “tiger” grain stripes with warm honey undertones of the mango wood are enhanced with smoky burnishing for a casual rustic look.

MATERIAL: Solid Mango

FINISH: Mango

HARDWARE: Dark Bronze

UPHOLSTERY: Black

FEATURES & BENEFITS:

- Wine racks in server
- Full extension drawer glides
