

## Encino Outdoor Dining Table

Stained Heritage Brown-FSC • 231885-003

### Overview

Thick, bold slabs of reclaimed wood and wide slats give this dining table its rich, organic character. A natural-toned heritage brown finish highlights the wood's original knots and grains, making it a great addition to dining outdoors. Cover or store indoors during inclement weather and when not in use. Our Weatherproof Outdoor Dining Table Cover in size large fits this chair.
