

Beyond just one load at a time— now you can wash small loads that just can't wait

Elevate your possibilities—and elevate your washer for easier loading and unloading—with the LG SideKick® 29" pedestal washer. It installs seamlessly below your main washer to let you wash small loads that just can't wait while cleaning larger loads above. Perfect for delicates, hand washables or workout wear. Choose from 7 cycles and warm and cold settings that you control, either from the panel on the drawer lip or via the main washer's touch panel.
