Vigtige sikkerhedsanvisninger

- Læs brugsanvisningen, sikkerhedsvejledningen, kvikguiden (som medfølger) grundigt og helt igennem, inden du begynder at anvende produktet.

- Denne sikkerhedsvejledning skal altid følge med, når du giver produktet videre til tredjepart.

- Produktet må ikke anvendes, hvis det har tydelige defekter.

Forebyggelse af sundhedsskader og ulykker

- Lyt ikke ved kraftig lydstyrke i lang tid ad gangen for at undgå høreskader.

- Hold altid en afstand på mindst 10 cm mellem ørekopperne og en pacemaker eller implanteret defibrillator, eftersom produktet genererer permanente magnetiske felter.

- Hold produktet, tilbehøret og emballagedelene uden for børns og dyrs rækkevidde for at forebygge ulykker og kvælningssfarer.

- Brug ikke produktet i omgivelser, som kræver særlig opmærksomhed (f.eks. i trafikken).

Forebyggelse af skader på produktet og fejlfunktioner

- Hold altid produktet tørt, og udsæt det ikke for ekstreme temperaturer (hårtørret, varmeemelt, langvarig direkte sollys osv.) for at undgå korrosion eller deformation.

- Brug kun udstyr/tilbehør/reservedele, som medfølger, eller som anbefales af Sennheiser.

- Produktet må kun rengøres med en blød og tør klud.

Tilsigtet brug/ansvar

Disse hovedtelefoner er beregnet til at blive anvendt sammen med bærbare enheder og hi-fi-systemer.

Det anses for værende ukorrekt brug, hvis produktet anvendes på en måde, som ikke er nævnt i de tilhørende produktvejledninger.

Sennheiser hæfter ikke for skader, der skyldes forkert brug eller misbrug af dette produkt og dets udstyr/tilbehør.
