

ROVERTON

BED | FOA7725RD-BED

DETAILS:

Meet the Roverton kids' bed--the kind of novelty you'd like to bring into your children's sleeping space! You'll appreciate the beautifully contoured and replicated design, complete with large, black tires and functioning headlights that look like real deal. There are tons of stories to be told as you and your little ones enjoy the spectacular lights and sounds coming from the bed, all at your fingertips.
