

# Crossed Purposes

Caracole

A stunning bedside companion, the Crossed Purposes nightstand clearly has the WOW factor. A simple, slightly tapered silhouette accentuates the inherent beauty of its natural materials. Perfectly matched directional woodgrain veneers create a one-of-a-kind chevron pattern that attracts the eye without competing with other pieces in the room. An easygoing Ash Driftwood finish brings out the beauty of its stunning natural lines and will complement any statement bed while a bead of Sundance Gold gives the top edge a touch of shine. Fully finished drawers wear an interior shade of Putty and are ideal for storing books, magazines and nighttime essentials.
