30" & 36" Chimney Hoods

460 CFM

Powerful ventilator removes smoke, heat, and odors from your kitchen.

Heat Sensor

Reacts to high heat conditions by automatically boosting ventilator power to keep the cooking area as cool and comfortable as possible.

Built-In Timer

12-hour timer lets you set ventilation time for entire cooking process. After cooking, the timer can be used to keep fan running for a preset period, allowing you to tend to other activities.

Halogen Lights

Dimmer controlled halogen lights enable you to illuminate your cooking activity or to provide ambient light after hours.
